

# **IAS OPPORTUNITY AT DU CAMPUS**

*A strong building is based on a strong foundation and your graduation years are the best time to start.*

## **Beacon IAS classes at HANSRAJ COLLEGE:**

Graduation years give the opportunity of empowerment of the ability required to compete in the examination along with building an armor of Knowledge, Skill and Personality.

Preparation time involved in cracking Civil Services Examination (IAS) is two to three years of constant hard work, perseverance and dedication.

Beacon IAS, the only IAS institute in DU Campus, is pleased to provide a Graduation Friendly Course Program stretched for almost 3 years along with a dedicated and experienced faculty.

Our Faculty pool is blessed with Professors of University of Delhi and Jawaharlal Nehru University, Academicians, Subject Experts as well as Serving/retired Civil Servants. Their varied knowledge fields coupled with practical knowledge along with sincere dedication to our mission gives them an edge in imparting knowledge to the students.

We are thankful to Hansraj College, which has been generous enough to offer its Campus to facilitate students to join the Guidance Program for Civil Services.

### **This would benefit the students as follows:**

**Firstly**, our presence in campus would save time spent by a student in travelling to coaching institutes far away.

**Secondly**, there will be no worries of Graduation curriculum overlapping with the Guidance curriculum, as partnering with the college, has led us to prepare our time-table in tune with all the

courses offered in campus and their subsequent internals, assignments and semester examinations.

**Thirdly**, being present in campus, with all the facilities at our disposal, along with the trust of University of Delhi, HANSRAJ COLLEGE, the onus lies on us to provide good results and push further, efforts for the same.

### **SCHOLARSHIP OPPORTUNITY FOR STUDENTS OF DU.**

Beacon IAS is granting scholarship to meritorious students an opportunity to avail scholarship.

The criteria of the grants are mentioned below:

<b>12<sup>th</sup> Class Percentage</b>	<b>Scholarship %</b>
