1. The Test Series Program by Beacon IAS has been designed to act as a mix between core concepts, advance level knowledge and their application in contemporary times.
2. Three Tests on Current Affairs will include a combination of important events happening in three months, thereby creating three papers covering an effective nine months in total for effective revision of students.
3. Basic level ten tests focus on core concepts which are mentioned in NCERT books to create a revision module of all subjects
4. Six Advance and Seven Applied tests cover probable application of Concepts and Theories in line with previous Year Questions of UPSC PRE, leading to a complete revision of all the subjects through the tests.
5. The number of questions from respective subjects will be based on the average number of questions asked by UPSC in Prelims in previous years.
6. The Free Mock Test will be a mix of all the subjects and will test basic knowledge and understanding of the subjects.
7. Post Test Discussion will be held just after the Test on the scheduled date by the respective subject experts and Supplementary Materials and Answer Booklet will be given thereafter.
8. All tests will be held in the classroom at the premises of Beacon IAS Institute (B-3/1, Next to Model Town Metro Station Gate No.2, Delhi).
9. In case of doubts in questions the evaluation will be done by omitting those from the total number of questions.
